Self-Help Legal Access Center

Friday, April 2nd, 2010

12 noon—4:00pm

Have you been convicted of a crime that seems to come back to haunt you when you're applying for employment?

Times are tough. Finding employment should not be. Join us at the Expungement Clinic to learn how to remove one of the most common barriers to finding work — a criminal record. On Friday April 2, the Self-Help Legal Access Center presents a clinic to assist you with cleaning up your criminal record. Attorneys and staff will be available to explain the general process, answer individual questions
